Dear Potential Hope Fest 2019 Craft & Vendor Show Exhibitor,

Enclosed is an application for Hope Fest 2019 Craft & Vendor Show, scheduled for Saturday, July 20, 9am-6pm at Rotary Park in downtown Jefferson, Wisconsin.

Tomorrow's Hope has been hosting Hope Fest for the past 21 years. This is the second year we are adding a Craft & Vendor Show to our event. We are very excited about this new addition and were off to a pretty good start with 25 vendors the first year! – I Hope to double or even triple that number this year as we moved our location closer to all the other activities that Hope Fest has to offer that day – at Rotary Park! All booths will be located outside – rain or shine so HOPE for good weather!!

The mission of Tomorrow's Hope is to foster health-related research, education and support activities that have a direct impact on individuals in our local health care service area touched by Alzheimer's, cancer, diabetes, heart disease, and other life-limiting illnesses. Over the past 21 years, we have granted over \$4.2 million to local health care organizations in southeastern Wisconsin, creating over \$7.2 million in local economic benefit.

If you are interested in being considered for this year's Hope Fest Craft & Vendor Show, please return the forms, and fee by May 1, 2019 to the address indicated on the application.

If you know of someone who might be a good fit for our show and may be interested in being a potential vendor, please let me know and I will mail or email an application to him/her.

We are looking forward to this opportunity and HOPE you are as well.

Sincerely,

Ruth Fenske
